Extra services are part of your dental coverage

Lincoln Financial Group offers online dental health information to any employee covered by our group dental plans.* Here’s a sample of the many helpful features available to you at no additional charge:

**Member tools**—A variety of tools enable you to determine the average cost of a dental procedure; e-mail a specific question that will be personally answered by a licensed dentist; or find a dentist based on the location of your home or workplace, or your primary language. You can also get directions to the dentist’s office.

**Dental health news**—you can read about news, trends, and recent developments in the field of dentistry and oral health.

**Lifestyle and dental health**—You’ll receive valuable information on how dental health plays an important role in many other general health conditions.

**Beyond baby teeth**—You’ll learn about everything from baby’s first tooth to back-to-school checkups, information on braces, and dental emergencies for children.

**Seniors**—This is a helpful dental health guide for the older generation.

**Risk assessments**—You can learn about your risk for oral cancer, periodontal disease and tooth decay.

**Translation**—Switch between the English and Spanish versions with one simple click.
